One of the things we love is competition and convention and we are going to go! Competition and conventions are wonderful opportunities to perform and grow as a dancer, explore new styles and have a great time doing what we love! This season there are a few new policies put into place. They will limit the number of spectators and participants are required to wear masks while taking classes but we will take it! The events we chose will be offering full refunds in the event things get canceled.

Some of the other categories include difficulty, showmanship, costume/appearance

General Convention information

Students will spend the weekend taking all different styles of dance. They will be expected to take all of the classes offered. Students are placed in levels based on age, if the students wish to move down a level they can do so but will not be permitted to move up. Each dancer should plan on bringing a lot of snacks, water and wear layers of dance clothes. Dancers are given an audition number at the beginning of the convention and teachers watch throughout and give awards and scholarships at the end of the weekend.

Studio Policies and Fees

All solo, duo, and trio dances must be pre-approved by Angie or Laura

Students are limited to the number of solos, duos, or trios they perform based on the number of classes they take at the studio. It is very important to continue working in classes on technique and sometimes when students are working on too many dances outside of class the technique is lost. We highly recommend you are enrolled in a class that is the same genre as your solo, duo or trio.

If students are competing with a solo, duo, trio and also have group dances they are required to perform with all of their groups attending.

Parents/Guardians are responsible for travel to and from events. You will be asked to arrive 1 ½ - 2 hours before your scheduled performance time. *(this may be changed due to new health guidelines and policies)*

CCPA Fees due February 15th

This does not include the competition or convention registration fees

If you are performing a dance that is choreographed or worked on outside of your regular class time you will be charged the following fees:

Solo/Duo/Trio- \$260 choreography, lesson, administrative and instructor travel fee– this can be split into payments if needed

Groups- administrative and instructor travel fee \$30/student

Instructor Travel Fee- *helps pay for lodging, travel and food for your instructors to attend*

Choreography Fee- This pays the choreographer for the time that it takes to select music, cut music, and create their choreography. A choreographer can spend hours working on their piece so instead of charging per hour we charge a flat choreography fee.

Lesson Fees- This pays for the teacher's time rehearsing the dances outside of regular class time.

Shoes, Tights, Costume- You will need to purchase the correct matching shoes and tights. Costumes can be purchased or rented for solos, duos, trios, rental fees will be based on the costume we choose. We will do our best to keep this cost to a minimum.
